## PHEASANTS FOREVER

Greetings from the Dakota Chapter of Pheasants Forever!

As you are aware Covid-19 has affected our lives and activities in a variety of ways. We were excited to host our 30<sup>th</sup> annual banquet this February, but we are putting the health and safety of our community, members, and supporters first and are cancelling the event for this year. We appreciate your understanding and support as we look to raise funds for habitat conservation and outreach efforts, because it is imperative to our chapter that we continue delivering the mission of Pheasants Forever: creating quality habitat, engaging the next generation of hunter-conservationists, advocating for conservation, supporting state PF staff, and SO much more!

Within this letter are a variety of opportunities to keep you involved with your membership and have a chance to help in enhancing local habitat projects, from the safety of your home. Given the Pheasants Forever unique model, all funds raised by the chapter stay local and allow us to do more. Your membership dollars support the national organization that allows the local model to exist and thrive, which is so important and appreciated.

You will note on the next page that the sponsorship levels and their incentives have changed as we look to increase the number of sponsors in our chapter. For your convenience, tickets for drawings that you enter will be placed in the drawing at the time of purchase. Drawings for all winners will be done on the evening of February 6, 2021 beginning at 7:30 pm by the banquet committee and winners will be notified where and when they can pick up prizes. The drawings can be viewed live on the Dakota Pheasants Forever website home page at [www.dakotapheasantsforever.org](http://www.dakotapheasantsforever.org). **Winners need not be present to win in any of the drawings**, however, winners of any gun must pass a background check, or the prize becomes the property of Dakota Pheasants Forever.

You may purchase as many early bird tickets as you like, and the deadline to do so is Tuesday, January 26, 2021. You may also purchase as many of the 13 prize raffle tickets (featured below) as you like but the offering is limited to 275 tickets. If the raffle is sold out when your form is received, you will get a refund.

State law does not allow the purchase of raffle tickets with a credit card so we are asking for payment by check or money order using the attached form. **We would greatly appreciate it if you would extend this offering to your family and friends.** Additional information is on the website [www.dakotapheasantsforever.org](http://www.dakotapheasantsforever.org).

Fortunately, this pandemic does not affect wildlife, but as we seek and need our quality outdoor spaces more than we ever have, it's important that we strive forward for habitat conservation. We are asking for your help and support during these tough times when local fundraising is impacted.

Your past and continued support is very much appreciated.

Yours in Conservation – Dakota Pheasants Forever
